Xtra Miles Sdn Bhd (968820-K)

DAWSON HS LED linear trunking system is efficient with outstanding performance. Trunking and LED module are integrated as one fixture, it is easy to be installed and maintained by Plug & Play structural components. Various lighting distributions, integrated linear trunking system for medium and small supermarket, retail or department stores.

### Plug-And-Play

According to clients' requirement, we adjust wiring for single-phase or three-phase power before shipping. In doing so, it would save cost when debugging and wiring.

### Maximum Connecting Quantity for Different Wattage

Model	Single-phase (240Vac)	Three-phase (240Vac)
40W	70PCS	210PCS
65W	50PCS	150PCS
75W	40PCS	120PCS

### SPECIFICATIONS

Model	LHB05-40	LHB05-65	LHB05-75
Luminous Flux	5,200lm	8,450lm	9,750lm
Wattage	40W	65W	75W
System Efficacy	130lm/W		
CCT	3000K, 4000K, 5000K		
Temperature Range	-25°C to +45°C		
Beam Angle	120° / 90°		
Input Voltage	220-240Vac		
Input Surge Protection	2kV line-line, 4kV line-earth		
Power Frequency	50/60Hz		
Power Factor	> 0.90		
IP Rating	IP20		
Operating Humidity	15-90%RH		
LED Life Span	> 45,000 Hrs (Ta=30°C@L70)		
Outlook Dimensions	φ1532×61×53mm		

### Easy Installation
